Scope of Work

Presubmittal - Land Use

Project Name: Beta Townhomes

Description of Work: Construct a Townhouse condominium development of approximately 80 units consisting of attached and stacked flat units on 4.17 acres within the TL-10C Zone of the Totem Lake Neighborhood. Access will be from NE 116th Street (existing access point), and connections to public water, sewer and stormwater will be utilized. Additional elements of development include affordable housing, tree retention, landscaping, etc. Concurrent review of a Land Surface Modification Permit, Design Review, and multiple building permits are anticipated.
