DESCRIPTION OF WORK:
Amy's Nail-Install air ducting for nail tables.

Building Department Conditions:

BLDG. DEPT. CONDITIONS Contact Darrell Harmon PH# 425-587-3612 with any questions

THE ONLY WORK AUTHORIZED BY THIS PERMIT IS TO INSTALL DUCT WORK FOR VENTILATION OF NAIL STATIONS, NO PLUMBING OR BUILDING CHANGES WERE OR ARE PROPOSED AND WOULD REQUIRE SEPARATE PERMITS.

Conditions noted below are part of the approved plans and shall remain attached to them at all times. The approval of plans and specifications does not permit the violation of any section of the International Building Code, International Mechanical Code, International Fire Code, or any City of Kirkland regulation or state law. Corrections as indicated below, along with the unchanged information shown on the drawings, must be complied with. In addition, since this correction sheet is a review aid, it shall not be used in lieu of the above mentioned codes, regulations, and laws. Therefore, code compliance with all noted applicable code sections on this correction sheet, as well as other applicable code sections not specifically noted, shall be required. The approved plans shall not be changed, modified, or altered without authorization from the building official. The approved plans are required to be on the job site.

This correction sheet is an abridged version of code requirements and is a review aid only. It shall not be used in lieu of the International Building Code, International Mechanical Code, International Fire Code, or any City of Kirkland regulation or state law.

Separate Electrical Permit and inspection is required.

Do not cover any repaired or replaced areas prior to Building division inspection and approval.

All work is subject to field inspection.

Electrical Installation. Appliances shall be installed to the City adopted Electrical Code.

Seismic resistance. When earthquake loads are applicable in accordance with the International Building Code, mechanical system supports shall be designed and installed for the seismic forces in accordance with the International Building Code.

Installation Instructions: Equipment and appliances shall be installed as required by the terms of their approval, in accordance with the conditions of the listing, the manufacturer's installation instructions and this code.

Manufacturer's installation instructions shall be available on the job site at the time of inspection.
